2. **CONTRACT:** (a) This Order constitutes the entire contract between the parties. Acceptance is limited to the terms hereof and Buyer hereby objects to any additional or revised terms proposed by Seller. No revision of or addition to this Order or any of its terms and conditions shall be effective (whether or not in Seller's acknowledgement or other form including, without limitation, Seller's standard sales terms and conditions) unless agreed to in writing by Buyer. Shipment of any of the Materials constitutes acceptance of all the terms and conditions hereof whether or not Seller has acknowledged this Order. Neither course of performance nor course of dealing nor usage of trade shall be used to interpret, construe, qualify, explain or supplement any of the terms of this Order. (b) In the event of any inconsistency between these printed terms and conditions, and the face hereof or any supplemental conditions attached hereto, the face or such supplemental conditions shall prevail. (c) Buyer shall have the right to make changes within the general scope of this Order, but no additional changes by Seller will be allowed unless authorized in writing by Buyer. If changes affect the delivery schedule or the amount(s) to be paid by Buyer, Seller shall notify Buyer immediately and negotiate an adjustment.
3. **PRICE; PAYMENT; INVOICE:** This Order shall not be filled at higher prices than specified therein. If price is omitted, the Materials shall be billed at price last quoted or paid, or at the prevailing market price on the date of this Order, whichever is lower. Any transportation charges set forth in an invoice shall be supported with original receipt transportation bills showing weight and rate. Notwithstanding any other provision herein to the contrary, Seller shall submit all invoices prior to the date that is one hundred and eighty (180) days after the completion of the applicable sale. If Seller fails to submit the invoice by such date, Olin shall be relieved of any payment obligation associated with such stale invoice.
4. **DELIVERY:** Time is of the essence. If Seller fails to make shipment or delivery when due, or if any shipment or delivery is made which is not in all respects in accord with this Order (including time of shipment or delivery), Buyer reserves the right to reject such delivery and, if Buyer so elects, Buyer may treat this Order as repudiated by Seller and cancel it or any outstanding deliveries hereunder, without prejudice to Buyer's right to claim damages or to enforce any other remedy provided by law. All expenses of transportation and storage, if any, resulting there from shall be for Seller's account.
5. **INSPECTION:** Buyer shall have the right to inspect at Seller's plant or following receipt, at its election, any and all Materials and to reject those which do not conform to Buyer's specifications, or, if not so specified, which do not conform to standard specifications. Moreover, Materials are subject to Buyer's inspection notwithstanding prior payment. All cost incurred and damages sustained by Buyer as a result of rejections made under the provisions hereof shall be for Seller's account and Buyer may return such Materials at Seller's expense. Seller shall not amend, restate, or otherwise modify or discontinue the agreed upon specifications without the prior written consent of Buyer.
6. **WARRANTY:** Seller warrants that all Materials and their packaging shall strictly conform with the specifications by which they are ordered herein and shall be in all respects suitable for the particular purpose or use for which they are purchased by Buyer, if the Seller knows or has reason to know the purpose or use. Seller warrants all Materials furnished and/or installed by it hereunder to be new and not used or reconditioned (unless otherwise specified in this Order) and free from defects in materials or workmanship for a period of twelve (12) months from the date of installation or eighteen (18) months from the date of shipment, whichever date is later. In addition, Seller warrants free and clear title on Materials contemplated in this Order and that the sale of Materials sold hereunder shall be delivered free of the rightful claim by anyone of any infringement of any patent covering the Materials itself or the process for making it. At Buyer's option, Seller shall repair defective Materials or replace defective Materials with on-specification Materials.
7. **FOOD AND DRUG GUARANTY:** If this Order relates to the purchase of any food, drug, or cosmetic, or substance, the intended use of which results or may reasonable be expected to result, directly or indirectly in its becoming a component or otherwise affecting the characteristics of any food (including any substance intended for use in producing, manufacturing, packing, processing, preparing, treating, packaging, transporting, or holding food), Seller hereby guarantees that the article comprising each shipment or other delivery now or hereafter made by Seller to Buyer, as of the date of such shipment or delivery, is not adulterated or misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act, as amended, or within the meaning of applicable state laws or municipal ordinances in which the definitions of adulteration and misbranding are substantially the same as those contained in the above Act, and not an article which may not, under the provisions of Section 404 and 505 of said Act, be introduced into interstate commerce.

(c) Seller agrees to defend, protect, indemnify and hold harmless the Buyer Group from any and all Claims asserted against Buyer Group arising out of or are in any way related to Buyer's use or sale of any Materials (or part thereof) delivered hereunder based on any violation or alleged violation of any third party's intellectual property rights. Furthermore, in the event that Buyer Group should be enjoined in such suit or proceeding from using any of the Materials (or part thereof), Seller, at its option, shall promptly (a) secure termination of the injunction and procure for Buyer the right to use such Materials (or part thereof) without any obligation or liability, (b) replace said Materials (or part thereof) with non-violating Materials or modify same to become non-violating, all at Seller's expense and to Buyer's satisfaction, or (c) remove said Materials at Seller's expense and refund to Buyer the amount paid to Seller therefor.

No charges will be allowed for packing, handling, crating, freight express, storage, drayage or cartage unless specified on the face hereof.

10. EXCUSABLE DELAYS: Neither party shall be liable for any delay or failure of performance due solely to strikes, fires, or other causes beyond its reasonable control and without its fault or negligence, provided that the party subject to such cause shall have given written notice thereof to the other as soon as the same could be anticipated, and if it could not be anticipated, promptly following the commencement thereof. If Seller should be unable, due to such a cause, to meet all of its delivery commitments for the Materials ordered herein as they become due, Seller shall not discriminate against Buyer or in favor of any other customer in making deliveries of such Materials. Seller shall use its best efforts to anticipate the effect of such cause and mitigate the effect of such cause and to make deliveries as expeditiously as possible. However, if Buyer believes that the delay or anticipated delay in Seller's deliveries may impair its ability to meet its production schedules or may otherwise interfere with its operations, Buyer may, at its option and without liability to Seller, cancel outstanding deliveries hereunder wholly or in part. Notwithstanding any provision of this Order, Seller agrees it will not claim impracticability to excuse its performance, whether by reason of Section 2-615 of the Uniform Commercial Code, usage of trade or otherwise.
